

AUTHOR SECTION – Pre-Session Briefings

Each session will be prepared during a pre-session briefing organised by the Chairman, Rapporteur and Technical Secretary, the aim being to finalise the list and sequence of contributions, as well as to arrange the final tuning of the session organisation. Every author or participant willing to take the floor with a prepared contribution should attend.

For sessions **2** and **6** starting the first day, a second meeting is foreseen on Tuesday at 8.00 hrs for those unable to attend the day before.
